

## **4<sup>th</sup> International Postgraduate Conference in Irish Studies**

### **USEFUL INFORMATION**

#### **Conference Venue**

Faculty of Arts (Filozofická fakulta), Charles University, Palachovo nám. 2, 116 38 Prague 1. Get off the metro (line A) at Staroměstská station; the Faculty of Arts is a large grey building, the only one with arches at the square facing the river. The conference opening will be in Room 111 on the first floor (take a right after ascending two flights of stairs).

#### **Accommodation**

The pre-booked free accommodation at the student residence has already been allocated a first-come, first-served basis. The remaining delegates are asked to make their own accommodation arrangements.

The Faculty of Arts is in the city centre and there are plenty of accommodation options in the area. You can use this AirBnB link to find affordable accommodation:

#### **Travel and Transport in Prague**

##### **Prague Public Transportation**

The **metro** operates daily from 5 a.m. to 12 p.m. The time interval between train departures is approximately 2-3 minutes during the workday rush hours and 6-10 minutes during off-peak hours.

**Trams** and **buses**: daytime service operates from 4:30 a.m. to, approximately, midnight. Night-time service is from midnight to 4:30 a.m. and is provided by tram numbers 51 to 59 at an interval of 30 minutes, and by bus numbers 501 to 514 and 601 to 604. The central interchange station for night tram lines is the Lazarská stop. Schedules are located at individual stops and online at <http://www.dpp.cz/en/>.

##### Tickets

Passengers have to obtain their tickets before boarding a vehicle or entering the Metro system. The ticket is valid only if marked in the validation appliance (a yellow ticket stamping machine found near the door of trams or at the entrance to metro stations). Tickets can be bought in vending machines located in Metro stations or near some bus and tram stops, in the Prague public transports kiosks at Terminals 1 and 2 of the airport, in public transport Information Centres, at newsagents, etc.

Some vending machines allow you to purchase tickets with a credit card. You can find one of those as you get out of the Václav Havel airport.

### Fares

Single ticket 24,- Kč (30 mins) or 32,- Kč (90 mins). You can transfer between lines and/or any means of public transportation on either of the tickets within the time of its validity.

### Tourist Tickets

- for 24 hours 110,- Kč
- for 3 days (72 hours) 310,- Kč (must be obtained in a public transport kiosk – e.g. at the airport – or public transport Information Centre located in selected metro stations)

These tickets are valid for all the city transport facilities and allow for changes. The ticket is valid from the moment of its validation.

### Ticket Inspection

The validity of tickets can be checked by the ticket inspectors of Dopravní podnik at any time during travel or waiting in the Metro system. The ticket inspector is entitled to ask a passenger to produce his or her valid ticket, to confiscate invalid tickets, and to collect a fine in the case of travel without a valid ticket (800 Kč payable on the spot is the minimum penalty). To prove their identity, inspectors produce yellow-and-red badges. They are obliged to issue a receipt for the fine.

### Taxis

In comparison with public transportation, taxis are significantly more expensive (a taxi ride from the city centre to the conference venue will cost around 200 Kč or more). We strongly recommend that you use one of the companies below and **order a taxi by phone**, as by catching a cab in the street you risk being charged an impromptu rate that may turn out to be astronomical.

AAA Taxi – call (00-420)14014 or (00-420)222333222

Kurýr Taxi – call (00-420)241090090

## **Currency and Exchange Rates**

The official currency of the Czech Republic is the Czech Crown = Česká koruna (CZK = Kč). You can find the official exchange rates on the website of the Czech National Bank at [www.cnb.cz](http://www.cnb.cz); the EUR rate fluctuates between 25 and 27,50 Kč per 1 EUR.

International credit cards are accepted in most restaurants, pubs and shops, but not all of them, so it is recommended that you obtain some local currency. Payment in cash in EUR is also possible in some restaurants and shops; please ask for details on site (and watch the exchange rate!).
